

National Kidney Foundation™

Council on Renal Nutrition- Minnesota Planning Meeting

Please join us for a planning meeting to re-engage the Minnesota affiliate of the Council on Renal Nutrition, National Kidney Foundation's professional organization for dietitians.

During the meeting we will discuss:

- Structure of National CRN and other state affiliates
- Goals for CRN in Minnesota
- Leadership positions available
- Other opportunities with NKF

**Thursday February 2nd,
5:00-6:30pm**

**1970 Oakcrest Ave St. Paul, MN
Large conference room in the
lower level of the building.**

We want to hear from you! CRN in Minnesota will only be successful if we have engaged members and leaders. We need to know what you'd like to get out of CRN and what we can provide to keep you engaged and involved.

Can't come to St. Paul? Please fill out our [interest survey](#), so your opinion can still be heard!
